

INCENTIVE PAYMENTS TO WIOA TITLE I PARTICIPANTS

Workforce Innovation and Opportunity Act Policies and Procedures
POLICY #W419

Effective Date: May 2018

1. Background

The Workforce Innovation and Opportunity Act (WIOA) final rules specifically reference incentive payments to youth, although the WIOA final rules and WIOA operating guidance state that guidance in this area is forthcoming. The Employment Security Department (ESD) has issued WIOA policy 5621 in the interim to eliminate confusion and support comprehensive service delivery while the one-stop system awaits such guidance. The following policy addresses local requirements for providing incentive payments to WIOA Title I participants. If and when additional federal and/or state guidance is issued, the Spokane Workforce Council (SWC) will review this policy and make revisions as appropriate.

2. Definitions

- **Participant support costs:** Direct costs for items such as incentives, stipend or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants or trainees (but not employees) in connection with conferences or training projects that are allowable with the prior approval of the Federal awarding agency
- **WorkSource System Tools (WST):** A management information system (MIS) that workforce development organizations in Washington State use to collect data and manage themselves efficiently and effectively.

3. Policy

Incentive payments to WIOA Title I youth participants are permitted for recognition and achievement directly tied to training or education activities and work experiences. Service providers must ensure that the incentive payments are:

- a. Awarded in recognition and achievement directly tied to training activities or work experiences,
- b. Tied to the goals of the WIOA Title I youth program,
- c. Outlined in a written, local policy prior to the start date of training programs or work experiences that might provide incentive payments,
- d. Aligned with other WIOA Title I youth program policies, and
- e. Provided in accordance with the requirements and cost principles in 20 CFR part 200.

Incentive payments must be in compliance with the Cost Principles in 2 CFR part 200 and as such incentive payments cannot be spent on entertainment costs, such as movie or sporting event tickets, gift cards to movie theaters, or other venues whose sole purpose is entertainment. Additionally, internal controls must be established to safeguard any cash or other forms of payments used to award incentive payments, such as gift cards or gift certificates.

Incentive payments with WIOA funds must be connected to recognition of achievement of milestones in the program tied to work experience, education, or training. Such incentives for achievement could include improvements marked by acquisition of a credential or other successful outcomes.

The total amount of incentive payments to WIOA Title I youth participants in any single program year may not exceed the limits, if any, cited in the service provider's local policy. Exceptions to any limits cited in the service provider's policy are not permitted.

The allowance for and limits on incentive payments to WIOA title I youth in projects funded by WIOA Title I statewide activities discretionary funds will be outlined by the SWC in the contracts' special terms and conditions.

Incentive payments for WIOA Title I adults and dislocated workers are not permitted.

4. Documentation and Data Entry Requirements
