

Community Reinvestment Project Information Sheet

Because of the harm caused by the war on drugs, the Community Reinvestment Project (CRP) prioritizes funding Black, Latine, and tribal organizations, businesses, & community groups (otherwise known as “By-and-For”).

As defined by the Office of Equity, to qualify as “By-and-For” for the Community Reinvestment Project, an organization must:

- Be a part of, rooted in, and defined by the identity of the Black, Latine, and/or tribal community
- Have leadership and staff who belong to the Black, Latine, and/or tribal community
- Build trust, advocate, respond, and solve problems specific to Black, Latine, and/or tribal community
- Have roots in their communities as change agents and providers of community service
- Invest in and work with community members to improve their quality of life
